

# For Rent

## Why Rent Décor Items for your Wedding Day?

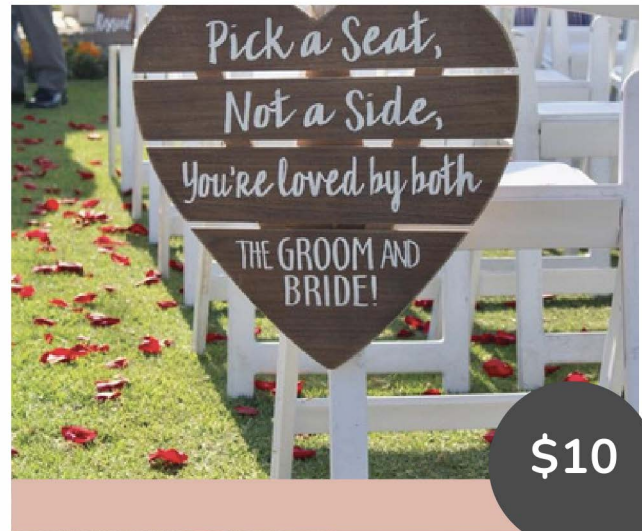

Because this event is one day only and you will never re-use these items. They will also take up storage space that you might not have. Renting saves money, time and space: it's a smart move so that you can spend on other more important wedding expenses.

*Note: I only rent items to people whom I serve as their coordinator. As your coordinator, I will be responsible for delivering the item(s) to the venue and removing them at the end of the event.*
